The second drawing will take place on Wednesday next, the 24th inst and WILL BE CONTINUED every week until further notice. This Lottery, whether viewed in point of the splendour of its capital prizes, or the number which are floating, is undoubtedly superior to any other now drawing in the United States, as will be acknowledged from the following summary,

I prize of 40.000 DOLLARS 20,000 DOLLARS 10.000 DOLLARS do 2 of 5000, 28 of 1000, 18 of 500, 50 of 100, 96 of 50, 4808 of 10.

The above list of prizes are still undrawn and all but four are floating from the commencement, and as the prizes only will be drawn, most auspicious prospects are presented to carly adventurers.

On the opening of the wheels on Wednesday the 24th inst. the price of tickets will be advanced to \$12, and from the unusual demand for tickets and the proposed rapidity of the drawing, the price will probably be still farther advanced, of which due notice will be given-Until which time tick eta and shares in a great variety of
